## A WARMER START TO AUTUMN

We have had a surprising start to Autumn this year, the days are still quite sunny and warm, (with the exception of a few) and the evenings are starting to get a little cooler. This is the perfect weather to be drinking wines that compliment the seasonal change, still time to enjoy those gorgeous white wines that are produced, but also to dabble in the lighter and medium bodied Reds, that are available for us to take advantage of.

Time to grab a glass and enjoy some amazing vino...

### THE BARRY BROS

By Jim Barry Shiraz Cabernet 2014 - Clare Valley

Peter Barry and his family are well known for making outstanding wines, and The Barry Bros being made by his sons Tom and Sam, is upholding its name. Being a blend of Shiraz and Cabernet from the Clare Valley, it's showcasing some exquisite flavours, so much so that it will be appearing on our Wine Menu @ The Old England Hotel. Dark fruits are the signature of this vintage with scents of liqueur cherries, blackberry, blood plum, aniseed and spice. The wine opens up and displays lifted violet floral notes. On the palate, there are juicy red fruits of cherry, plum and raspberry, with hints of earth and savoury herbs. This wine displays a brightness complemented by supple tannins and a persistent finish. Such a fantastic wine, that we cannot wait to get it in the glass and enjoy with our family and friends.
